

## Heliocentric Music – Shipping information (December 2010)

All packages are shipped via DHL Logistics. Smallest prices are printed in bold letters, these shipping methods are the most common ones and recommended by us in order to save costs. However, it might be useful to choose registered shipping when your order is quite large.

Shipping costs for more than 8 records are calculated individually, but usually the price is the same as for registered shipping with up to 8 records. Please get in touch if you have any questions.
